

THE TETLEY

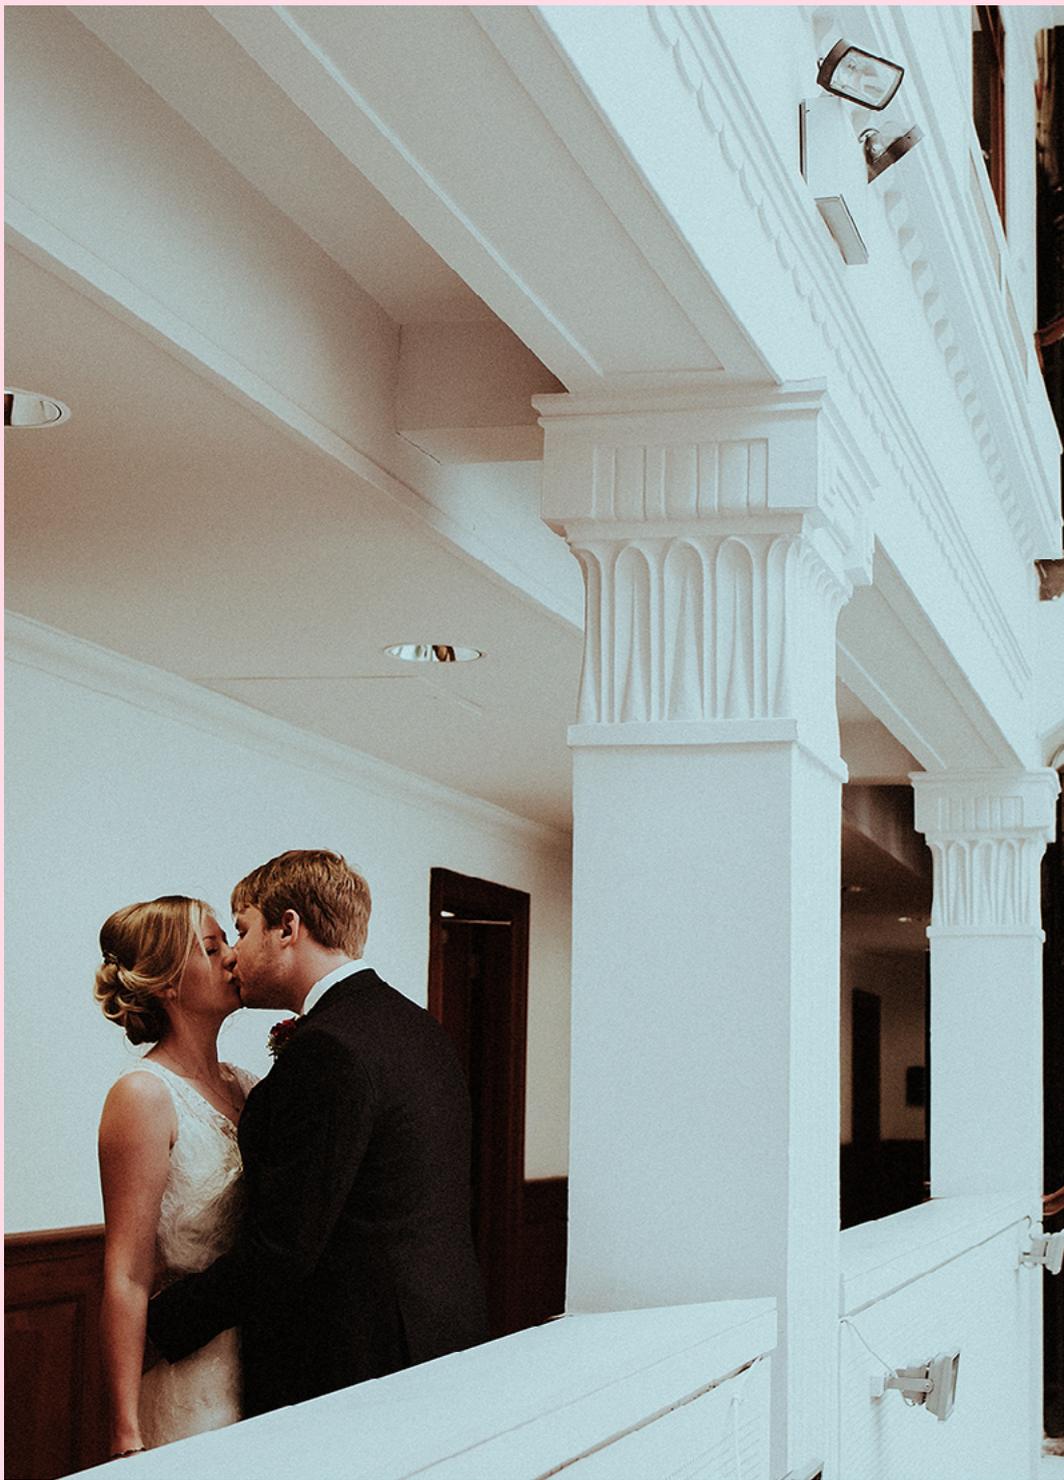

A full-page photograph of a wedding scene. In the center, a bride in a white dress and veil holds a bouquet of flowers, walking hand-in-hand with a groom in a dark suit. They are walking down the steps of a brick building entrance. The scene is filled with guests on either side, some throwing confetti. The building has a sign above the door that says 'WELCOME TO THE TETLEY'. The overall atmosphere is joyful and celebratory.

Testimonials

Adam & Nina

"We can't recommend The Tetley enough. It is a unique venue that offers a blank canvas for your day whilst providing superb food and a team capable of making your day one to remember."

Chloe & Craig

"We chose The Tetley because we wanted to be able to put our own stamp on our special day, rather than select a prescribed package. The Tetley really encouraged us to have our say on everything and never pushed us towards anything we didn't want. This resulted in a day that all our friends and family said felt really 'us' with our hand picked decorations, live music, pizza and ice cream! Everyone commented on how beautiful the building is and the photographs are gorgeous. The food was also divine – it was definitely one of the most talked about aspects of the day!"
